

The Mighty Ducks

What an amazing funfilled and energetic week it has been for our campers who never skipped a bent, as they stretched, beat, jumped, skipped, hopped, crawled, ran, and wiggled their little bodies for "Workout Week!" The children loved doing so much creative movement and exercises as they strengthened their muscles.

We spoke alot this week about the importance of taking care of our body by eating healthy foods and not just lot's of sugar snacks, and brushing teeth, and exercising often! On Friday, Denise, a Dental Hygienist came to our school to talk to the children about taking good care of their teeth, and everyone had fun doing a craft to bring home as a reminder to brush their teeth everyday.

On Wednesday, our campers loved eating a very special snack – "Apple Smiles" and on Thursday they munched on yummy cucumbers and green peppers.

What a fabulous time was had by The Mighty Ducks on Wednesday when the Fun Bus arrived at our school. Ayden, Josh, and Noah loved rock climbing. Isabella, Chloe, and Julia loved jumping on the trampoline. Samantha, Madelyn, and Emma loved the slide, and Sarah enjoyed swaying through the air on the swing – all inside the bus!

Happy 4th birthday to Julia! We enjoyed celebrating her birthday this week with a delicious snack.

We can hardly wait until next week when our precious campers will shine like "stars" at our "Dancing with the Stars" End of Camp Extravaganza! We are looking forward to having you join us on the last day of camp, Friday, August 15th, at 10:45AM for our Camp Show. Our children will be singing songs from the most amazing summer of 2014, and then we will all have fun with Miss Kim!
